The Bancrofts would much rather follow our red brick path.

Both Paul and Mary Ann Bancroft say they like banking with us because of the many, many services we provide and the way we treat them.

Whether they bank inside, or outside at one of our drive-up windows, doesn't matter. The Bancrofts, like so many of our customers, would rather take a few minutes longer to drive to our place than bank at several others closer to home.

The way we see it — just like the Bancrofts of Dartmouth — there are banks and there is our bank.

Even the younger members of the family — Tim, Peter, Paul and Suzanne — like banking with us.

a friend of Mr. Johnson, was the victim of a cardiac attack and was revived by Robert Souza using cardiopulmonary resuscitation. In the interim, before Officer Souza arrived, Mr. Johnson felt the frustration that anyone would experience because of the extreme emergency and his own lack of knowledge of how to help. Mr. DuMont was revived and

was taken to Tobey Hospital where he died a few days later on October 3. His friends donated the adult manikin "Anne" in his memory. The friends of the late Mrs. Harold R. Crawford (Helen Marita), also of Antassawamock, donated the infant manikin in her memory. She died on November 2.

The manikins are lifelike and especially in the mouth, throat, rib cage and heart and lung areas respond like a living body. Using these manikins the police will recertify all police officers in the department which is required yearly. The Mattapoisett Police Department also plans to extend the knowledge and CPR technique to the public in the near future. In some cities of the United States this public knowledge has dramatically saved lives. TV's 60 Minutes show had a feature last season on Seattle, Washington which has widely trained the general public with wonderful results in saved lives. Seconds count in a cardiac emergency and the person on the scene can often be the lifesaving difference.

The Mattapoisett Police Department is most appreciative of the two memorial gifts. Robert Souza says, "It's working with people like this that makes the police profession an enjoyable job."

EVERETT ALLEN DELIGHTS AUDIENCE

Despite a dreary, wet November day, Matta-
poisett Woman's Club turned out en masse
for the November meeting last Thursday to
hear and meet local author Everett S. Allen
who is also the chief editorial writer for
the New Bedford Standard-Times.

Mr. Allen chose to talk about his latest
book, *A Wind To Shake the World*, which is
a detailed, vivid narrative of the 1938 hur-
ricane - a Portrait of Catastrophe and the
event that gave 1938 its historical identity.
Mr. Allen reminisced that on September 20,
1938 he had begun as a reporter at the Stand-
ard-Times and as he wondered what he would

write about, the storm brewed, unseen for 12 hours as it snuck up the Atlantic Coast. Mr. Allen recounts that the heroic stories, the humorous stories, the bizarre stories in the storm's aftermath were legion. He found much to write about.

The audience listened in rapt attention. For those who had not witnessed the storm, Mr. Allen's artful description was mesmerizing as we tried to imagine such unleashed fury that the author called "an act of God on an age of innocence". For those in the audience who had viewed the storm, personal memories filled in the nooks and crannies of Allen's reconstruction of the day's events

and of the months preceding it which he characterized as an "interim period in our history - a sort of limbo where everyone innocently believed that disasters like this only occurred in faraway places."

Of the future, Everett S. Allen believes that even though we have a superior warning system, severe hurricanes can still strike with as little as a 3-hour warning time. He believes that man should never mock natural forces but must take nature seriously when warned and breathe a prayer of thanks when spared, unlike several young people he met who expressed disappointment that the hurricane of August 1976 bypassed our fortifications.

During club business, President Marlene O'Neill welcomed Third District Director Mrs. Manuel Sylvia who addressed the club and extended an invitation for members to attend the District Conference on Thursday, December 8, at 9:30 A.M. at the Parish House on Church Street in Middleboro. Other guests of the day included Mrs. Mary-Louise Lunt, President of the Sippican Woman's Club, and Mrs. George

Youth Hockey

NEWS: Many thanks to the individuals and businesses who sponsored RYHA's dance. Many door prizes and gifts of money were received to put the dance way over the top. Winners of the door prizes were Selectman 'Sonny' Hartley from Rochester and believe it or not his son Woody Hartley. Enjoy those Bruins tickets. This looked like Rochester's night when Selectman Julia Enroth won the \$100 raffle. Other winners were Larry Decker, \$75.; and Dean Foisy, \$50.

Rochester Youth Hockey has another sponsor with Sippican Supply now taking over the Polar Bears in the Midget Division. More sponsors are still in the wings and will be named next week.

Ice time money is due December 1.

RESULTS: MIDGET DIVISION: Rochester Sippican Supply won in a thrilling, come from behind 'donny-brook' 3 to 2. Ken Clarke (Wally Hartley), Jim Braden (Tim Silva) and Silva (Joel Hermon) hit in a solid victory. The Bearcats lost to Fairhaven 5 to 1 with Jim Collins (Tom Figuerido) scoring.

DUFF PLUMBING ANNOUNCES

We have added another truck to our fleet expressly for the Marion, Wareham & Rochester area residents. We have had such an increase in calls that we have decided to install a direct, toll-free "Hot Line" for these customers. We have our plumber, Chet, who is a local resident and knows the area well. He will have a well-stocked supply of plumbing needs right at hand.

Are you disappointed to find yourself waiting two days for a plumber, then have him arrive with a helper to carry the tool box, and receive a bill for two men? We pride ourselves on sending one man on service calls.

We take good care of our old customers; it's new customers we are looking for.

ARTWORKS initiated another of their community oriented programs. In cooperation with the art department of the New Bedford Public Schools, a group of thirty-three high school students visited the center and toured the exhibitions. Artist-in-residence Bill Parker met with them and spoke about programs the center offered as well as answering questions about art and artists. Four other such field trips are scheduled for later in the school year. This program is a pilot project which the center will try to expand to cover elementary schools and other area school systems.

Letters were sent to the superintendents of area school systems inviting them to participate in this and other programs the center can set up in conjunction with the schools to answer their needs. Center public relations director Dick Pacheco expressed hope that area schools would take advantage of this opportunity. "ARTWORKS and THE ARTS CENTER is more than willing to work with the school systems to set up tours and workshops at the center with center staff and school personnel", said Pacheco. "We're flexible. We only ask

the schools to tell us how we can help them."

Pacheco expressed the thanks of the center and artworks to Raymond Bisailon, Art Director of the New Bedford schools, for his invaluable cooperation and assistance in setting up the pilot program. Further cooperative efforts between the art department and the center are presently being worked out to include possible

DONATION TO TOBEY HOSPITAL

Dee of Palm Beach, Florida have made a sizeable donation to establish an Operating Room Fund at Tobey Hospital in the name of Marnee Dee Hellier, recently of Main Street, Marion. The fund which will be a continuing memorial to the late Mrs. Hellier will be used to purchase needed equipment for Tobey's operating rooms. It is hoped that her many friends will continue in the support of this project by donating to Tobey Hospital specifying Marnee Dee Hellier Fund.

Also in the name of Marnee Dee Hellier, Mr. and Mrs. Dee made the most generous gift of a Swan-Ganz Catheter to the hospital. This catheter, which allows pulmonary artery monitoring in critically ill patients, is an invaluable piece of equipment for use in both

Dr. Richard A. Kemp, anesthesiologist, comments "The Swan-Ganz catheter allows the physician to assess pressures within the heart and measures the pressures in the left side of the patient's heart. This information enables the physician to know how to treat the patient in surgery who has had a history of heart failure or respiratory problems. The catheter is also very useful for patients who have undergone trauma and who are now undergoing the massive stress of surgery and anesthesia."

FAIRHAVEN SAVINGS ANNUAL MEETING

Corporators of Fairhaven Savings Bank paid homage to the memory of the late Orrin B. Carpenter at their annual meeting at Harbor Beach Club November 14. President Richard Carpenter announced the successful opening of a temporary office of the Dartmouth Banking Center, the addition of Saturday hours, the retirement of one and the election of another Trustee and two new corporators.

George Schwartz read the corporators' commemorative resolution eulogizing the late Orrin B. Carpenter, a former treasurer and chief executive officer of the bank who served for 42 years - through a depression, wars, a couple of hurricanes - to establish the image of Fairhaven Savings as the bank for the family, increasing deposits from \$2 million to \$100 million and consistently paying the highest dividends in the area. The resolution will be inscribed on parchment and framed for display at the bank.

Harry has just finished polishing our quadruple plate Tea Service by Forbes Silver Co. circa 1890 - 1898 which he has placed on our lovely little scalloped top table with unique teardrop border. Harry thought the needlepoint of "Ladies at Tea with Tabitha" would be appropriate for Auntie Laurie's "tea time" visit, because Auntie Laurie always appreciates a little touch of elegance! We are told our child's chair is actually a salesman's sample. It has a slip seat covered in red antique velvet which could be easily changed if it doesn't suit your decor. It is quite Victorian and adorable for a favorite granddaughter. We gave Joe the day off. His Mother-in-law took him to see the Bruins.
